

春到苏木绰 Spring to Sumuchuo

有一种浪漫，叫永定的春天。近日，永定区副书记程漫为网红村春景代言的视频在朋友圈走红。她推荐的宝藏油菜花打卡地就是沅古坪镇的红土坪 栗子坪油菜花海。

这里，200余亩成片油菜花正竞相盛开。花海里，还有一些紫色的油菜花 镶嵌 其中。空中俯拍，这些紫色的花组成 乡村振兴苏木绰 的字样和生动的土家农耕图案。原来这是该区农业农村局联合沅古坪镇政府设计种植的 五彩油菜花。为了发展乡村旅游，该镇还在万亩油菜花田和贯穿油菜花海的河流交汇处，配套修建了柳林公园，园内有游步道、柳林生态景观、河道长廊、吊脚楼游览线路，适合拍照打卡，是名副其实的网红村。

"There is a kind of romance, called Yongding spring..." Recently, Cheng Man, deputy secretary of the Yongding District Party Committee, has become popular in the circle of friends as the spokesperson for the Spring Scenery of Internet Celebrity Village. The treasure rape flowers check-in place recommended by her is Hongtuping Liziping rape flower sea in Yuanguping Town.

Here, more than 200mu of rape flowers are in full bloom. In the sea of flowers, some purple rape flowers are "inlaid" among them. By aerial photography, these purple flowers compose the words "Rural Revitalization Sumuchuo" and vivid Tujia farming patterns. It turns out that this is the "colorful rape flower" designed and planted by the District Agriculture and Rural Bureau cooperated with Yuanguping Town Government. In order to develop rural tourism, the town also built Liulin Park at the intersection of 100mu rape flower fields and rivers running through rape flower sea. There are footpaths, Liulin ecological landscape, river corridor and stilted building tour routes in the park, which are suitable for taking photos and checking in. It is a real Internet Celebrity Village.
