

# 守『云』的人

周建鑫是一名导游。近年来，他的名字频频登上省媒、央媒，却是基于另一个身份——航拍摄影师。

2017年，他买了第一台无人机，自学飞行。在无人机先后“炸机”十余次后，他才开始游刃有余地追寻起自己的“穿云梦”。

为了捕捉美景，他的无人机从不离身。在过去的日子里，他日夜守候，飞阅了张家界山水画里的春夏秋冬，记录下这里的阴晴雨雪。他的最爱，是变化莫测的云。从天子山、袁家界、杨家界到宝峰湖、天门山，时而云雾缭绕，时而云海翻腾，时而邂逅壮观的云瀑景象。

有人说，他运气好。纵然，摄影需要运气。但对周建鑫而言，更多的是靠勤奋。很多时候，他就是提前看好天气，在拍摄点苦守。一双拖鞋，一把雨伞，一盒泡面，陪着他一起等待雨后的风景。

Zhou Jianxin is a tour guide. In recent years, his name frequently showed in provincial media and central media, for another status, aerial photographer.

In 2017, he bought his first drone, and learned how to fly it by himself. Until the drone crashed more than ten times, he began to pursue his "dream of flying in the clouds".

In order to capture beautiful scenes, he carried the drone with him all the time. In the past days, he kept watching day and night, overlooked the spring, summer, autumn and winter in the Zhangjiajie landscape painting from the sky, and recorded the cloudiness, clearness, rain and snow of this region. His favorite is the changeful clouds. From the Tianzi Mountain, Yuanjiajie and Yangjiajie to the Baofeng Lake and Tianmen Mountain, sometimes the clouds and mist wind around, sometimes the sea of clouds rolls, sometimes the spectacular cloud fall is encountered.

Some said he's lucky. Of course, photography needs luck. However, Zhou Jianxin depended mainly on diligence. He always observed the weather in advance, and kept watching on the shooting site. A pair of slippers, an umbrella and a bowl of instant noodles accompanied him, waiting for the landscape after rain.
