

川石 周末踏春遛娃好去处

Chuanshi, a good place to go for spring outing and strolling with children on weekends

一块块油菜花田，仿佛一块块或大或小的黄绸铺满在山脚下、村庄前、古屋后，数百亩的桃花、梨花竞相开放，争奇斗艳。素雅整洁的村容村貌，澄澈的溪流，让人流连忘返

川石村位于甘堰土家族乡的西北部，由原万佛寺村合并而成，辖34个村民小组，处于历史悠久由西向东贯穿而过的穿石溪中心地段，水资源丰富，水质优良，地势开阔，农田集中连片，基础设施完善。

The rape flower fields look like pieces of large or small yellow silk over-spreading the foot of mountains, in front of the village, and behind the ancient houses. Hundreds of mu of peach blossoms and pear blossoms are blooming, contending in bizzarerie and beauty. The simple but elegant appearance of the village and the clear streams make the tourists linger and forget to return.

Chuanshi Village is located in the northwest of Ganyan Tujia Township, formed from Wanfosi Village, governing 34 villager teams. It is located in the center of the "Chuanshi Stream", which runs through from west to east with a long history. It is rich in water resources, excellent in water quality, and open in topography, there are concentrated farmlands and complete infrastructure.
